
korkers

Posted by big fish - 2007/09/18 13:41

I do quite a bit of sriper and blue fishing I am looking for a place somewhat near the ct,ri,ma border to buy korkers any help?

Newtown BAit and tackle, Stratford Bait and tackle had them, buy the ones with the straps not laces if you decide on Korkers. In RI Captn. Dons Bait and Tackle has neoprene slip ons with aluminum Ws on the bottom. I have Korkers with the straps and replaceable spikes and love them.
